

## **Bibliographie participative du projet ANR (PRCI : Lyon – São Paulo) ELIRRE (Émergence du libéralisme, rénovations du républicanisme : XVI<sup>e</sup>-XVIII<sup>e</sup> siècles)**

Les éditions et traductions indiquées sont celles qui ont été utilisées dans le projet. La date de l'édition originale est, le cas échéant, indiquée entre crochet.

Les études générales ont été pour l'instant privilégiées, ainsi que les études croisant les études historiques et les questions contemporaines. Les sources sont trop nombreuses pour être listées à ce stade. Il en va de même pour les monographies, elles aussi très nombreuses, consacrées à un auteur, sauf lorsqu'elles s'ouvrent plus largement à la période. Les références aux travaux des membres ont été volontairement limitées.
